Book Reviewers

Reviewers should enjoy writing. Guidelines and ideas for points of interest to include in a review can be found in the *Shuttle Spindle & Dyepot* section of the HGA website. Not only will Reviewers be sharing their love of books, but they are supporting the authors and publishers who in turn support our fiber art community.

To become a Reviewer, please fill out the form found at **WeaveSpinDye.org/SSD/**. To increase your chances of becoming a Reviewer, please be specific about the types of books you would be interested in reviewing. Please note, SS&D does not accept unsolicited reviews or reviews from contributors mentioned in the book under consideration.
