

# Small Expressions 2025

## Annual Exhibit of Small-Scale Works

Produced by the [Handweavers Guild of America, Inc.](https://www.handweaversguild.org/) (HGA), *Small Expressions* is an annual juried exhibit featuring contemporary small-scale works. The exhibit showcases small-scale works created using fiber techniques in any media, not to exceed 15 inches (38 cm) in any direction, including mounting, framing, or display devices. The exhibit is available for travel for a year.

**Exhibit** July 12 – August 23, 2025, *Small Expressions 2025* is to be held at the Blue Ridge Mountains Art Association at The Art Center in Blue Ridge, Georgia, USA. Following the Blue Ridge show, the exhibit will tour the United States through June 2026.

**Juror** **Tommye Scanlin** is Professor Emerita at the University of North Georgia, Dahlonega, where she began the weaving program in the early 1970s. She explored different ways to create imagery with weaving until at last embracing handwoven tapestry as her medium of choice three decades ago. She is the author of *The Nature of Things: Essays of a Tapestry Weaver* and *Tapestry Design Basics and Beyond: Planning and Weaving with Confidence*.

**Jurying** *HGA seeks to feature work that is not only of the highest caliber in craftsmanship and technical ability, but which also speaks to the intricacy of expression, the intimacy of design, thoughtful communication, and visual excitement.*

The juror independently screens all images and makes the preliminary selection of all work in the exhibition. Entries will be evaluated on concept, design, technique, craftsmanship, and creative exploration.

Accepted work is subject to final approval by the juror's representative after the actual work arrives at the exhibition host venue. Work that exceeds the size limitation and/or differs significantly from the digital image representing it will be ineligible for the exhibition and returned to the artist.

Submission to *Small Expressions* implies that the artwork represented on the digital images will, if chosen by the juror, be available for the exhibition and that the artist understands that all accepted work, without exception, must remain for the duration of the exhibition.

**Eligibility** Works exhibited in previous *Small Expressions* exhibits are not eligible.

Submitted work is limited to works made using fiber techniques (interlaced, felted, stitched, dyed, coiled, knotted, pulled, spun, etc.) and can be of any material. All work must be of exhibition quality, completed within the last two years (since January 2023), and **not previously published in any national or international print publication.**

The size of the finished work may not exceed 15 inches (38 cm) in any direction including any mounting, framing, and/or display devices.

Work executed under classroom/educational guidance or supervision is not eligible.

**Image Requirements** Images must be submitted as digital images of completed work. A minimum of one (1) image of the entire artwork (including any framing) is required for each work. Additional optional images may include one (1) detail image and/or one (1) of the back of the work if it is a 3-D artwork.

Images may be color corrected to accurately represent the work but not enhanced in any way. Image editing is limited to cropping and adding or modifying a solid background of white, black, or gray.

The artist's name must not be visible on the digital image or your entry will be eliminated.

All images should be in JPG format using the maximum quality setting with at least 300ppi. The length on the long side of the image should be approximately 3000 pixels to have a clear, large image.

Name your image in the following format (DO NOT include the Artist's Name):

**Image Title Format:** Artwork Title\_Artwork Image Description

**Examples:** Sunflowers  
Sunflowers\_Detail

The images of accepted work will become the property of HGA and may be used for HGA publications and other promotional purposes.
