

Whirlwind of Fibers **Convergence® 2024 Basketry Exhibit**

Produced by the [Handweavers Guild of America, Inc.](#) (HGA), *Whirlwind of Fibers* is a juried exhibit featuring functional and nonfunctional as well as traditional and nontraditional forms in basketry techniques. Baskets can be woven from a wide variety of manmade and naturally occurring materials.

Experience the dynamic energy of Kansas' winds through the artistic expressions of creativity, innovation, and craftsmanship within the realm of basketry.

Exhibit July 11 - 14, 2024, to be held at the Century II Performing Arts & Convention Center, Wichita, Kansas.

Juror Since 2000, [Annetta Kraayeveld](#) has taught at fiber arts and basketry gatherings across North America. Her work has won several awards and appeared in several national exhibits, including HGA's 2023 *Small Expressions*. Annetta served as the National Basketry Organization Board President in 2022 & 2023. As a teacher, she focuses on mastery, basketry techniques, and stretching perceived limits. As a maker, her work is somewhere between traditional and contemporary.

Jurying *HGA seeks to feature work which is not only of the highest caliber in craftsmanship and technical ability, but which also speaks to intricacy of expression, intimacy of design, thoughtful communication, and visual excitement.*

The juror will independently screen all images and make the preliminary selection of all work in the exhibition. Entries will be evaluated on concept, design, technique, craftsmanship, and creative exploration.

Accepted work is subject to final approval by the juror's representative after the actual work arrives at the exhibition host venue. Work that exceeds the size limitation and/or differs significantly from the digital image representing it will be ineligible for the exhibition and returned to the artist.

Submission to *Whirlwind of Fibers* implies that the artwork represented on the digital images will be, if chosen by the juror, available for the exhibition and that the artist understands that all accepted work, without exception, must remain for the duration of the exhibition.

Eligibility Works exhibited in previous Convergence® exhibits are not eligible.

Submitted work is limited to works made using fiber techniques (interlaced, felted, stitched, dyed, coiled, knotted, pulled, spun, etc.) and can be of any material. Submitted work should be a structural three-dimensional work where fibers/materials cross with fiber/materials. All work must be of exhibition quality, completed within the last two years (since January 2022), and **not previously published in any national or international print publication.**

The size of the finished work may not exceed 48 inches by 72 inches or a weight of 20 pounds. Work executed under classroom/educational guidance or supervision is not eligible.
